

8TH ANNUAL FALL BEREAVEMENT CONFERENCE

HOSTED BY BECAUSE KIDS GRIEVE

Our mission with this community education event is to provide attendees with the opportunity to understand how grief in children differs from adult grief, and to build skills for meeting the needs of bereaved children and youth. We offer CEUs for Social Workers, Counselors and Morticians, but anyone in the community is invited.

The 8th Annual Bereavement Conference will be held on Thursday September 22, 2022 in the Treasure Valley and Friday September 23, 2022 in the Magic Valley. **Cost will be \$40 which includes lunch.** Social Workers and Counselors may earn up to 6 CEUs by participating in the workshop.
